

This is me in case you haven't seen me this year and you forget what I look like

# Ali For Competitions Officer

# About Me <3

- I'm a Third Year Human Nutrition student
- Currently on placement and bouncing with Queens tramps (miss you guys)
- I've been a tramp for three years
- I am a level 1 coach
- I love UCDC
- I also love making coffees and drinking coffees and taking pictures of the coffees that I make and then drink

# Why you should vote for me and not RON...

- I competed, coached and judged at the big competitions over the last 3 years, so I have a good sense of how they are run
- I LOVE a spreadsheet - part of my job is transferring data I have collected into excel spreadsheets for analysis
- I also love communicating with other clubs (and promise I will force all my tramp friends on other committees to send judges and complete competition sign-ups on time)
- I have never not met a deadline in my entire life
- I like to plan every second of my life so trust I will be organised
- I can write a beautiful professional email (just ask my placement supervisor)
- I am used to juggling lots of tasks, part-time jobs, assignments etc. whilst remaining an active member in the club

## Colours

(the only pics I have are with Queens Sorry lol)

## Dublin Open

# My plans for the role

- Continue to hold Rainbounce, and (gently) push freshers to try out judging at inhouses so we have lots of amazing judges for bigger competitions
- Provide laminated routines by each trampoline at competitive trainings
- Be super super super super organised (I am not afraid to hassle people to sign up to competitions on time!!)
- Make lovely colour-coded timetables for competitions in UCD, and make a separate UCD timetable for away competitions so finding things is super easy – official and unofficial jobs, competing times etc. will all be found under your name in a spreadsheet
- Continue the fun stuff at UCD comps...synchro roulette but its just body landings, competitive add-ons, more routine roulette... I welcome all ideas
- Work with PRO to make sure there is a professional camera for routines, club photos and podium pics at competitions (I have a camera don't worry guys)

# Some of my fav tramp memories

In conclusion, vote for me (Ali) <3

(notice how I used UCD colours in this presentation)
