My Commitment to Trampoline

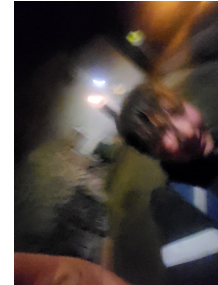

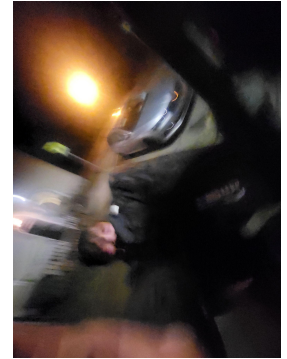

I joined trampoline at the start of this year but really locked in in November since then I have...

- Committed to morning trainings (and some evenings)
- Competed at SSTO and ISTO
- Went to all the nights out and events (apart from when i saw death and isto)
- Won Dragons den (shoutout Mega Boing STD)
- Did Relay4life (and brought the tent)

Basically i've given as much as my free time as possible to trampoline and i would give even more next years as treasurer (i've nothing better to do)

Me struggling to carry the tent (so heavy)

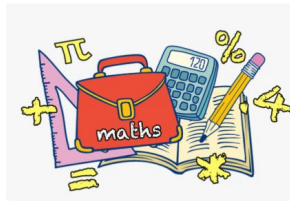

Proof of commitment:
Journey of the tent, It went on some adventure from scout den to pub to my nannies to my house and then conor thankfully gave us a lift to ucd. All so we had a nice home for relay4life.

My Experience

I love Maths!

I am studying Physics for a reason and I also do maths grinds. Ofc i need another way to bring maths into my life!

I'm confident i'll keep great track of the clubs income and expenditure :)

Scouts Gear QM

I volunteer as a scout leader and attend scout meetings every thursday for the last 3 years and i've attended organised and helped budget for many of our camps including our annual camps abroad during the summer. This has taught me how to work well in a team stay organised and be more responsible.

I am also currently my scout groups Gear Quartermaster which means i'm a trustee (committee of a charity organisation) of the group.

I've been trusted with that position and it makes me our youngest trustee by about 12 years. It's a lot of work but I love doing it.

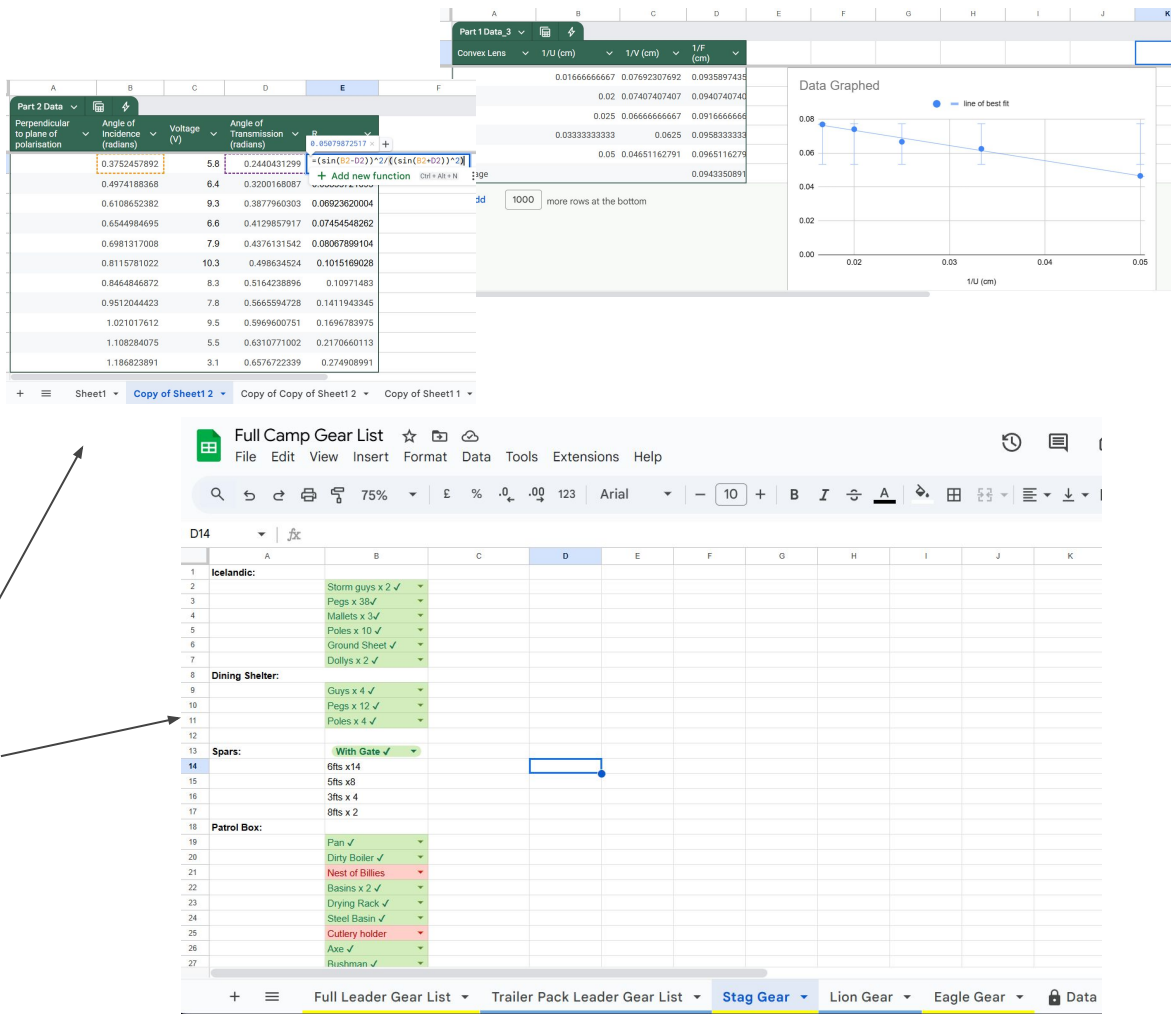

Being the Gear QM means i'm in charge of all of the groups assets, i have to buy replace and repair equipment and ensure everything is organised for every camp. You can count on me to be responsible and keep track of the clubs finances.

Spreadsheets!

Being the gear QM i've made a fair few spreadsheets for my scouts to keep them organized. I also use them quite a bit for all my lab reports to show all my data. I love spreadsheets and figuring out new ways to make them cooler and better.

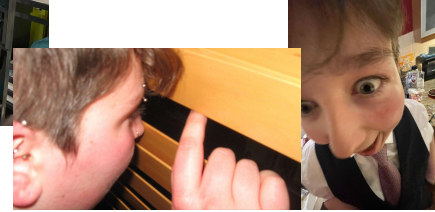

Proof:

Full camp gear list can be checked off and can be edited for different items and different tabs for each patrol and the scout leaders (only half the spreadsheet and one of many i've made for scouts). + lab spreadsheets and graphs

As Treasurer I will.....

- Bend over backwards for cheap accommodation and money from UCD
- Chase you down if you don't pay your invoices
- Make beautiful spreadsheets ofc
- Keep track of all the clubs moneyyyy
- Stay Organised and on top of everything
- Fulfill all my duties as treasurer !
