First international comp (very fun)

Why me?

- I have tons of competition experience (both good and bad) so I wanna make sure everyone can have the best time possible, whether they are competing, judging, or supporting!
- I love planning and organizing events, and making sure that everything goes according to plan (just ask Ben, I crash out if the night out plans are changed the day of)
- I will make sure that the workload during comps is evenly distributed so that everyone can have a good time
- Google docs and I are best friends

My involvement with the club

- *I have been to every competition this year and I'm going to ISTO and Dublin Open*
- *I have been to most of the nights out (my fav was 12 pubs)*
- *You will find me at evening practice chatting or bouncing every tuesday/thursday*
- *I truly enjoy every time I am in practice or trampoline-related activities so I'm very excited for next year!*
